

# WANT TO WIN A \$25 AMAZON GIFTCARD?

**Help us design a new logo for CheckedOUT! Here are some guidelines:**

- Create a logo that embodies the spirit of CheckedOUT – to create a SILS environment that is inclusive and free of prejudice against sexual orientation, race, age, disability, religion, culture or gender identity.
- It be created via any medium, but your logo must be made available electronically to send to either [email removed for privacy] or [email removed for privacy].
- Digital designs are preferred (as they can be sent easier), but do not let this bridle your imagination!
- All logos must be smaller than or equal to 2"x2" or 200x200 pixels. Submissions are due by September 30th and will be judged by all members of CheckedOUT. Best of luck, creative people!

Our current logo – it's nice with Manning Hall and rainbows, but we want something more inclusive to recognize our broader mission.
